**T.A.G. (Teen Art Gallery):
CREATING TOMORROW**

A Group Exhibition of NYC Teen Artists
July 07 – August 04, 2011

Opening reception: Thursday July 07, 2011 from 6 to 8pm

The New York Open Center gallery is thrilled to sponsor T.A.G. (*Teen Art Gallery*): *Creating Tomorrow*. T.A.G. is dedicated to presenting the most highly creative, unique art produced by teens working in NYC today. A new venture, this teen organized gallery premieres a carefully selected and diverse group of artists working in a variety of exciting mediums. Founded by teen artist Audrey Banks, T.A.G. rebels against the frustration of an exclusive NYC art market to redefine who can be a working artist and provide the public with exposure to up and coming teen artists.

About the Gallery

New York Open Center gallery exhibits both emerging and mid-career contemporary artists whose body of work primarily focuses on spirituality, psychology and holistic consciousness.
